ii. About Mirae Asset Credit Opportunities Fund (MACOF)

Mirae Asset AIF (“Fund”) is settled as a close-ended irrevocable determinate trust under the Indian Trusts Act, 1882. Mirae Asset Credit Opportunities Fund (“MACOF”) is the first scheme of the Fund. Mirae Asset Investment Managers (India) Pvt Ltd is the Investment Manager to the Fund. The Fund is registered with the Securities and Exchange Board of India (“SEBI”) as a Category II Alternative Investment Fund (AIF). The investment objective of the Scheme is to make investments primarily in selected Tier-I and Tier-II cities with the primary focus on, including but not limited to, the purchase or investment in securities of Portfolio Entities engaged in real estate and other allied sectors. The term of the Fund is 5 years from the date of final closing and may be extended up to 2 years with the consent of Two-Third Majority of the Contributors by value of their contribution.

MACOF has a total commitment value of INR 395.96 Crores and the total drawdown stood at INR 186.03 Crores as of 31st December, 2024. The fund has announced its Final Closing on 16th July 2024. The Scheme has acquired two operational warehouses in Mumbai through investment in its wholly owned subsidiaries. During FY 2024-25, the fund completed its planned investment of INR 23.00 Cr (Tranche-2; total investment of INR 85.71 Cr) in its subsidiary - Mirae Asset Logistics Park I Pvt Ltd.

iii. About Company’s Branch Office in Gujarat International Finance Tec-City International Finance Services Centre (GIFT IFSC)

“The GIFT IFSC operation commenced on October 3, 2023, and has successfully completed over a year since its inception. During this period, the fund's assets under management have exhibited notable growth, increasing by 27% from INR 1,806 crores to INR 2,290.47 crores (equivalent to USD 208.6 million) as of December 31, 2024. Noteworthy is the recent launch of the India Dedicated Inbound Fund on July 31, 2024, attracting NRIs and global investors with pooled assets amounting to USD 13 million. Looking ahead to the calendar year 2025, plans are underway to introduce an outbound fund designed to invest in global funds worldwide, targeting Indian investors for participation in this fund”

FUTURE OUTLOOK

We remain constructive on equities from a medium-term perspective driven by India’s strong macroeconomic fundamentals. Although, growth has seen a cyclical slowdown in near term, this was largely due to lower government capex during 9MFY25 (+2% yoy) and inflation impacting consumption. Earnings growth may be a key driver of returns in 2025. The union budget FY26 not only aimed to stimulate consumption by providing relief to the middle class but also provided scope for RBI to cut rate, thereby reviving growth. Government capex is expected to pick up from Q4 onwards and could be front loaded during FY 26 (unlike FY25 which was back-ended due to general elections). Additionally, the rural economy is expected to see a pickup led by a healthy Rabi season. Given, the recent 25bps rate cut and expectation of further rate cuts (50-75bps), we remain constructive on Domestic Fixed income Markets.

OVERVIEW OF MUTUAL FUND INDUSTRY

(Source : www.Amfiindia.com)

Average assets managed by the Indian mutual fund industry has increased from Rs. 51.09 lac Cr in December 2023 to Rs. 69.32 lac Cr in December 2024. That represents 35.68% increase in assets over December 2023.

AUM of the Indian MF industry snapshot:

Net AUM in INR	Date	Milestones
6.11 lac crores	31-Dec-2011	
10.00 lac crores	May 2014	10 lac crs milestone
16.46 lac crores	31-Dec-2016	
20.00 lac crores	August 2017	20 lac crs milestone
30.00 lac crores	November 2020	30 lac crs milestone
39.89 lac crores	31-Dec-2022	5 times growth in 10 years
50.77 lac crores	31-Dec-2023	Crossed 50 lac Cr AUM

The proportionate share of equity-oriented schemes is now 60.6% of the industry assets in December 2024, up from 56.5% in December 2023. The proportionate share of debt-oriented schemes is 14.6% of industry assets in December 2024, down from 17.5% in December 2023. Decrease in ETF market share from 12.4% in December 2023 to 12.0% in December 2024.

Folios data of the India MF industry –

May 2021	10 crore folios for the first time
31-Dec-2021	12.02 crore total folios
31-Dec-2022	14.29 crore total folios
31-Dec-2023	16.49 crore total folios
31-Dec-2024	22.50 crore total folios

Individual investors now hold a relatively higher share of industry assets, i.e. 61.4% in December 2024, compared with 60.1% in December 2023. Institutional investors account for 38.6% of the assets, of which corporates are 94.4%. The rest are Indian and foreign institutions and banks.

Significant part of the Mutual Fund industry growth can be attributed to the growth & acceptance of Systematic Investment Plans (SIPs) in India in the past few years. **Systematic Investment Plan** or **SIP** as it is commonly known, is an investment plan (methodology) offered by Mutual Funds wherein one could invest a fixed amount in a mutual fund Scheme periodically at fixed intervals - say once a month instead of making a lump-sum investment. SIP has been gaining popularity among Indian MF investors, as it helps in Rupee Cost Averaging and also in investing in a disciplined manner without worrying about market volatility and timing the market.

Indian Mutual Funds have currently about 8.27 crore SIP accounts through which investors regularly invest in Indian Mutual Fund schemes. This is about 36.76% of the industry's total folios, 22.50 crore folios. The current AUM in the SIP accounts is about 13.63 lac crores which is 20.36% of the total Industry AUM (66.93 lac crores).

During the year of 2024, investors have invested 2.95 lac crores through SIPs, monthly details of which are given below.

Month	SIP Contribution (₹ crore) - CY 2024
January	18,838
February	19,187
March	19,271
April	20,371
May	20,904
Jun	21,262
July	23,332
August	23,547
September	24,509
October	25,323

November	25,320
December	26,459
Total during 2024	294,793

State Wise AUM break up in India

With Awareness and increasing penetration, the MF industry AUM has now reached prominence across the country. Here are the top 10 states, AUM wise, in descending order.

S. No.	State	AUM as on December 31, 2024 (in ₹ Crores)
1	Maharashtra	2,796,900
2	New Delhi	566,900
3	Gujarat	499,400
4	Karnataka	479,600
5	West Bengal	348,200
6	Uttar Pradesh	327,700
7	Tamil Nadu	314,700
8	Haryana	232,000
9	Rajasthan	131,100
10	Telangana	118,300
Top 10 total		5,814,800

Executive Summary 2024:

2024 was marked as election year globally including India & the US, While India is expected to see policy continuity, the new US administration's policies on trade, immigration, and taxation will be watched closely as they will impact global trade and financial markets.

Globally, the central banks were easing interest rates, while China continued to support its economy with monetary and fiscal measures encountering the property crisis, The Bank Of Japan's (BOJ) rate hikes in decades surprised the market followed by stabilization post affirmation by BOJ on less likelihood of further rate hikes. In India, GDP growth softened on the backdrop of slower Govt. capex, credit growth (RBI imposed restriction on unsecured lending), and Urban consumption. However, the rural economy green shoots are emerging.

India's macro fundamentals are robust, with benign core inflation, relatively stable currency, and controlled twin deficits, setting the stage for a supportive interest rate environment. With valuations more palatable after the recent correction, India's earnings growth trajectory may drive the market performance.

Annexure 2

ANNUAL REPORT ON CORPORATE SOCIAL RESPONSIBILITY (CSR) ACTIVITIES UNDERTAKEN DURING THE FINANCIAL YEAR 2024

1. Brief Outline on CSR Policy of Mirae Asset Investment Managers (India) Private Limited

- a) A brief outline of the Company's CSR policy, including overview of projects or programs proposed to be undertaken and a reference to the web-link to the CSR policy and projects or programs.

The Company's objective is to pro-actively support meaningful socio-economic development in India and enable a larger number of people to participate in and benefit from India's economic progress. This is based on the belief that growth and development are effective only when they result in wider access to opportunities and benefit a broader section of society

The Company's CSR initiatives will be aligned with the same principles to serve a social purpose, sustainable development of the society and the environment in which it operates.

CSR activities will be undertaken in areas identified by the CSR Committee. Activities undertaken by the Company may include projects related to:

i. Education and Skill Development

We will partner with schools, NGOs, Trust, societies, organizations and foundations providing a platform of excellence to students, expanding educational horizons/teaching methodology, working in the field of providing primary/secondary education, engaged in literacy programmes, providing vocational teachers trainings, etc., and also provide mid-day meals to school children and also partner with organizations/NGOs/Trusts which work in the field of child welfare, street children rehabilitation and other child welfare rehabilitations.

ii. Wildlife and Environmental protection

Project focused on restoring ecological balance, protection of flora and fauna, protection of animals including collaborative efforts required to train and empower institutions protecting wildlife and raise awareness amongst the people.

iii. Health Care Promotion:

Projects focused to offer health care to needy patients, building hospitals, providing medical facilities, providing free treatment/subsidized rates for treatment to children from poor family and under privileged and middle class families.

iv. Undertake any other activities enumerated in Schedule VII of the Act.

2. Composition of CSR Committee:

Pursuant to resignation/end of tenure of Mr. Yogesh Chadha, Independent Director and appointment of Mr. Shailesh Haribhakti as an Independent Director of the Company during the year, the CSR Committee had been reconstituted, wherein Mr. Shailesh Haribhakti (Independent Director) have been elected as the member of CSR Committee with effect from April 01, 2024.

Currently the members of the CSR Committee are Mr. Shailesh Haribhakti (Independent Director), Mr. Swarup Anand Mohanty (Vice Chairman & Chief Executive Officer) and Mr. Sung Ho Ahn (Chief Operating Officer and Director). Ms. Malini Thadani is a permanent invitee to the CSR Committee.

CSR Committee is formed as per the applicable laws of the Companies Act, 2013 and the Committee is responsible for the implementation/monitoring and review of the policy and various projects/activities undertaken under the policy.

The Members of the CSR committee are as follow:

Sr. No.	Name of the Director	Designation/ Nature of Directorship	Number of Meetings of CSR Committee held during the year	Number of meetings of CSR Committee attended during the year
			28.02.2024	
1	Mr. Yogesh Chadha*	Independent Director	1	1
2	Mr. Swarup Anand Mohanty	Vice-Chairman & Chief Executive Officer	1	1
3	Mr. Shailesh Haribhakti^	Independent Director	-	-
4	Mr. Sung Ho Ahn	Director & Chief Business Officer	1	1

* Mr. Yogesh Chadha ceased to be member of the Committee with effect from February 28, 2024

^ Mr. Shailesh Haribhakti was appointed as member of Committee with effect from April 01, 2024.

Ms. Malini Thadani is a permanent Invitee to the Committee.

3. Provide the web-link where Composition of CSR committee, CSR Policy and CSR projects approved by the board are disclosed on the website of the Company.

INDEPENDENT AUDITOR'S REPORT

To The Members of Mirae Asset Investment Managers (India) Private Limited Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Mirae Asset Investment Managers (India) Private Limited ("the Company"), which comprise the Balance Sheet as at December 31, 2024, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Cash Flows, the Statement of Changes in Equity for the year ended on that date, and notes to the financial statements, including a summary of material accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at December 31, 2024, and its profit, total comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing ("SAs") specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Information Other than the Financial Statements and Auditor's Report Thereon

- The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Director's report but does not include the financial statements and our auditor's report thereon.
- Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.
- In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

Deloitte Haskins & Sells

- When we read the Director's report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance as required under SA 720 'The Auditor's responsibilities Relating to Other Information'.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including Ind AS specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management and Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intend to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Company's Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate

Deloitte Haskins & Sells

internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors (i) in planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal financial controls that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books, except for not complying with the requirement of audit trail as stated in (h)(vi) below.
 - c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Cash Flow and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act.

Deloitte Haskins & Sells

- e) On the basis of the written representations received from the directors as on December 31, 2024 taken on record by the Board of Directors, none of the directors is disqualified as on December 31, 2024 from being appointed as a director in terms of Section 164(2) of the Act.
- f) The modification relating to the maintenance of accounts and other matters connected therewith, is as stated in paragraph (b) above
- g) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls with reference to financial statements.
- h) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of Section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the Company being a private company, Section 197 of the ACT related to the managerial remuneration is not applicable.
- i) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements – Refer Note 30 to the financial statements;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts, required to be transferred, to the Investor Education and Protection Fund by the Company
 - iv. (a) The Management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
(b) The Management has represented, that, to the best of its knowledge and belief, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
(c) Based on the audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
 - v. The Company has not declared or paid any dividend during the year and has not proposed final dividend for the year.

**Deloitte
Haskins & Sells**

- vi. Based on our examination, the accounting software used by the Company for maintaining its books of account for the year ended December 31, 2024 did not have a feature of recording audit trail (edit log) facility (refer note 40 of the financial statements)

As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable from April 1, 2023, reporting under Rule 11 (g) of the Companies (Audit and Auditors) Rules, 2014 on preservation of audit trail as per the statutory requirements for record retention is not applicable for the year ended December 31, 2024.

2. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

ANNEXURE "A" TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Report on the Internal Financial Controls with reference to financial statements under Clause (i) of Sub-Section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to financial statements of the Company as at December 31, 2024 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls with reference to financial statements based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the ICAI and the Standards on Auditing prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

Meaning of Internal Financial Controls with reference to financial statements

A Company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control with reference to financial statements includes

Deloitte Haskins & Sells

those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to financial statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at December 31, 2024, based on the criteria for internal financial control with reference to financial statements established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

ANNEXURE "B" TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 2 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

In terms of the information and according to the explanations provided to us by the Company and the books of account and records examined by us in the normal course of audit, we state that:

- (i) In respect to the Company's Property, Plant and Equipment and Intangible Assets:
 - (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment. The Company has maintained proper records showing full particulars of Intangible Assets.
 - (b) The Property, Plant and Equipment, were physically verified during the year by the Management which, in our opinion, provides for physical verification at reasonable intervals. According to the information and explanation given to us, no material discrepancies were noticed on such verification.
 - (c) The Company does not have any immovable properties and hence reporting under of Clause (i)(c) of the Order is not applicable.
 - (d) The Company has not revalued any of its property, plant and equipment and intangible assets during the year.
 - (e) No proceedings have been initiated during the year or are pending against the Company as at December 31, 2024 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.
- (ii)
 - (a) The Company does not have any inventory and hence reporting under clause (ii)(a) of the Order is not applicable.
 - (b) According to the information and explanations given to us, at any point of time of the year, the Company has not been sanctioned any working capital facility from banks or financial institutions on the basis of security of current assets, and hence reporting under clause (ii)(b) of the Order is not applicable.
- (iii) The Company has made investments in units of Mutual Funds and Alternate Investment Funds (other parties). The Company has not provided guarantee or security or granted loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties during the year, in respect of which:
 - (a) The Company has not provided loans or advances in the nature of loans, or stood guarantee, or provided security to any other entity during the year and hence reporting under clause (iii)(a), (c), (d), (e) and (f) of the Order is not applicable
 - (b) The investments made during the year are, in our opinion, prima facie, not prejudicial to the Company's interest.
- (iv) The Company has not granted any loans, made investments or provided guarantees or securities and hence reporting under clause (iv) of the Order is not applicable.
- (v) To the best of our knowledge and according to the information and explanations given to us, the Company has not accepted any deposit or amounts deemed to be deposits. Hence, reporting under clause (v) of the Order is not applicable.

Deloitte Haskins & Sells

(vi) To the best of our knowledge and according to the information and explanations given to us, the maintenance of cost records has not been specified by the Central Government under Section 148(1) of the Act, for the business activities carried out by the Company. Hence, reporting under clause (vi) of the Order is not applicable.

(vii) In respect of statutory dues:

(a) Undisputed statutory dues, including Goods and Services tax, Provident Fund, Income-tax, cess and other material statutory dues applicable to the Company have generally been regularly deposited by it with the appropriate authorities in all cases during the year. According to the information and explanations given to us, the provisions of the Employee State Insurance, Sales Tax, Service Tax, duty of Excise, Value Added Tax are not applicable to the Company.

There were no undisputed amounts payable in respect of Goods and Services tax, Provident Fund, Income-tax, cess and other material statutory dues in arrears as at December 31, 2024 for a period of more than six months from the date they became payable.

(b) There are no statutory dues referred to in sub-clause (a) above which have not been deposited on account of disputes as on December 31, 2024.

(viii) There were no transactions relating to previously unrecorded income that were surrendered or disclosed as income in the tax assessments under the Income Tax Act, 1961 (43 of 1961) during the year.

(ix)

(a) The Company has not taken any loans or other borrowings from any banks, Financial Institutions, government agencies. Hence reporting under clause (ix)(a) of the Order is not applicable to the Company.

(b) The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.

(c) The Company has not taken any term loan during the year and there are no unutilised term loans at the beginning of the year and hence, reporting under clause (ix)(c) of the Order is not applicable.

(d) On an overall examination of the financial statements of the Company, the funds raised on short-term basis have, *prima facie*, not been used during the year for long term purposes by the Company.

(e) The Company did not have any subsidiary or associate or joint venture during the year and hence, reporting under clause (ix)(e) of the Order is not applicable.

(f) The Company has not raised any loans during the year and hence reporting on clause (ix)(f) of the Order is not applicable.

(x)

(a) The Company has not raised moneys by way of Initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause (x)(a) of the Order is not applicable.

Deloitte Haskins & Sells

- (b) During the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under clause (x)(b) of the Order is not applicable to the Company.
- (xi)
- (a) To the best of our knowledge, no fraud by the Company and no material fraud on the Company has been noticed or reported during the year.
- (b) To the best of our knowledge, no report under sub-Section (12) of Section 143 of the Companies Act, 2013 has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.
- (c) As represented to us by the Management, there were no whistle blower complaints received by the Company during the year (and upto the date of this report)
- (xii) The Company is not a Nidhi Company and hence reporting under clause (xii) of the Order is not applicable.
- (xiii) In our opinion, the Company is in compliance with Section 177 and 188 of the Act for all transactions with the related parties and the details of related party transactions have been disclosed in the financial statements etc. as required by the applicable accounting standards.
- (xiv)
- (a) In our opinion, the Company has an adequate internal audit system commensurate with the size and the nature of its business.
- (b) We have considered, the internal audit reports, issued to the company during the year and till date, in determining the nature, timing and extent of our audit procedures.
- (xv) To the best of our knowledge and according to the information and explanations given to us, the Company has not entered into any non-cash transactions with its directors or persons connected with them and hence provisions of section 192 of the Act are not applicable to the Company.
- (xvi)
- (a) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause (xvi) (a), (b) and (c) of the Order is not applicable.
- (b) Based on the written representation received from the management of the company, the Group does not have any Core Investment Company (CIC) as part of the group and accordingly reporting under clause (xvi)(d) of the Order is not applicable.
- (xvii) The Company has not incurred cash losses during the financial year covered by our audit and in the immediately preceding financial year.

**Deloitte
Haskins & Sells**

(xviii) There has been no resignation of the statutory auditor during the year.

(xix) On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report, that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

(xx) The Company has fully spent the required amount towards Corporate Social Responsibility ("CSR") and there are no unspent CSR amount for the year requiring a transfer to a fund specified in Schedule VII to the Companies Act or special account in compliance with the provision of sub-section (6) of 135 of the said Act. Accordingly reporting under clause (xx) of the Order is not applicable for the year.

MIRAE ASSET INVESTMENT MANAGERS (INDIA) PVT. LTD. (CIN :- U65990MH2019PTC324625)
NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED DECEMBER 31, 2024

NOTE 1: CORPORATE INFORMATION

Mirae Asset Investment Managers (India) Private Limited (the "Company") was incorporated on April 26, 2019 as a private limited company under the Companies Act, 2013 of India ("the Act") . The Company is a wholly owned subsidiary of Mirae Asset Global Investments (India) Pvt. Ltd. The registered office of the Company is Unit No. 606, 6th floor, Windsor Building, Off CST Road, Kalina Santacruz (East), Mumbai - 400098

The principal activity of the Company is to act as an Investment Manager to Mirae Asset Mutual Fund.

NOTE 2: MATERIAL ACCOUNTING POLICIES:

(a) Statement of compliance:

The Company's financial statements have been prepared in accordance with the provisions of the Act, and the Indian Accounting Standards ("Ind AS") notified under the Companies (Indian Accounting Standards) Rules, 2015 and amendments thereto issued by Ministry of Corporate Affairs under section 133 of the Act. In addition, the guidance notes/ announcements issued by the Institute of Chartered Accountants of India (ICAI) are also applied except where compliance with other statutory promulgations require a different treatment.

These financial statements have been approved for issue by the Board of Directors at its meeting held on March 17, 2025.

(b) Basis of Preparation:

The financial statements have been prepared on the historical cost basis except for certain financial instruments that are measured at fair values in accordance with Ind AS at the end of each reporting period. Fair value measurements under Ind AS are categorised into Level 1, 2, or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Company can access at measurement date
- Level 2 inputs are inputs, other than quoted prices included within level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 inputs are unobservable inputs for the valuation of assets or liabilities.

(c) Presentation of financial statements:

The Balance Sheet, the Statement of Profit and Loss and the Statement of Changes in Equity are prepared and presented in the format prescribed in the Schedule III to the Act. The Statement of Cash Flows has been prepared and presented in accordance with Ind AS 7 "Statement of Cash Flows". The disclosures with respect to items in the Balance Sheet and Statement of Profit and Loss, as prescribed in the Schedule III to the Act, are presented by way of notes forming part of the financial statements along with the other notes required to be disclosed under the notified Accounting Standards.

Amounts in the financial statements are presented in Indian Rupee in million [1 million = 10 lakhs] rounded off to two decimal places as permitted by Schedule III to the Act. Per share data are presented in Indian Rupee to two decimals places.

(d) Operating cycle for current and non-current classification:

In the absence of the entity's normal operating cycle being clearly identifiable, its duration is assumed to be 12 months.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED DECEMBER 31, 2024

(e) Revenue Recognition

Revenue is measured at fair value of the consideration received or receivable. Revenue is recognised when (or as) the Company satisfies a performance obligation by transferring a promised good or service to a customer.

When (or as) a performance obligation is satisfied, the Company recognises as revenue the amount of the transaction price (excluding estimates of variable consideration) that is allocated to that performance obligation.

The Company applies the five-step approach for recognition of revenue:

- Identification of contract(s) with customers;
- Identification of the separate performance obligations in the contract;
- Determination of transaction price;
- Allocation of transaction price to the separate performance obligations; and
- Recognition of revenue when (or as) each performance obligation is satisfied.

(i) Investment management fees:

Investment management fees are recognised on an accrual basis in accordance with the Investment Management Agreement and SEBI Regulations, based on average assets under management ("AUM") of Mirae Asset Mutual Fund schemes, over the period of the agreement in terms of which, services are performed.

(ii) Advisory fees:

Advisory fees are accounted on an accrual basis in accordance with the Advisory Agreement and are dependent on the net asset value as recorded by the funds.

(iii) Net gain/loss on sale of investments or fair value change:

The gains/ losses on sale of investments are recognised in the Statement of Profit and Loss on the trade date. Gain or loss on sale of investments is determined after consideration of cost on FIFO basis. Any differences between the fair values of the financial assets classified as fair value through the profit or loss, held by the Company on the balance sheet date is recognised as an unrealised gain/loss in the statement of profit and loss.

(f) Foreign currency translation

(i) Functional and presentation currency:

Items included in the financial statements are measured using the currency of the primary economic environment in which the entity operates ('the functional currency'). The financial statements are presented in Indian rupee (Rs.), which is Company's functional and presentation currency

(ii) Transactions and balances:

Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are recognised in profit or loss.

MIRAE ASSET INVESTMENT MANAGERS (INDIA) PVT. LTD. (CIN :- U65990MH2019PTC324625)
NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED DECEMBER 31, 2024

(g) Property, Plant and Equipment and Intangible Asset

(i) Tangible Asset

Tangible Property, Plant and Equipment are carried at acquisition cost, less accumulated depreciation and accumulated impairment losses, if any. The cost of property, plant and equipment includes all incidental expenses incurred for acquisition of qualifying property, plant and equipment up to the date the asset is ready for its intended use. Subsequent expenditures related to an item of property, plant and equipment are added to its book value only if they increase the future benefits from the existing asset beyond its previously assessed standard of performance. Losses arising from the retirement of, and gains or losses arising from disposal of property, plant and equipment which are carried at cost are recognised in the Statement of Profit and Loss.

(ii) Intangible Asset

Intangible Assets are carried at cost, less accumulated amortisation and accumulated impairment losses, if any. Gains or losses arising from the retirement or disposal of intangible assets are determined as the difference between the net disposal proceeds and the carrying amount of the asset and recognised as income or expense in the Statement of Profit and Loss.

(h) Depreciation and amortisation

Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value. Depreciation on tangible assets has been provided on the straight-line method as per the useful life.

Asset	Economic Life
--------------	----------------------

Furniture and fittings	7 years
------------------------	---------

Motor Cars	5 years
------------	---------

Computers	3 years
-----------	---------

Office Equipment	5 years
------------------	---------

Leasehold improvements are amortised over the duration of the lease.

Intangible assets are amortised over their estimated useful life of 3 years on straight line method. The estimated useful life of the intangible assets and the amortisation period are reviewed at the end of each financial year and the amortisation period is revised to reflect the changed pattern, if any.

(i) Impairment of assets

All assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or groups of assets (cash-generating units). Non-financial assets that suffered an impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED DECEMBER 31, 2024

(j) Ind AS 116 - Leases

The Company as a lessee, recognises the right-of-use asset and lease liability at the lease commencement date. Initially the right-of-use asset is measured at cost which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received. The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the Company's incremental borrowing rate. It is remeasured when there is a change in future lease payments arising from a change in an index or rate, or a change in the estimate of the amount expected to be payable under a residual value guarantee, or a change in the assessment of whether it will exercise a purchase, extension or termination option. When the lease liability is remeasured in this way, a corresponding adjustment is made to the carrying amount of the right-of-use asset, or is recorded in profit or loss if the carrying amount of the right-of-use asset has been reduced to zero. The right-of-use asset is measured by applying cost model i.e. right-of-use asset at cost less accumulated depreciation /impairment losses. The right-of-use asset is depreciated using the straight-line method from the commencement date to the end of the lease term or useful life of the underlying asset whichever is lower. Carrying amount of lease liability is increased by interest on lease liability and reduced by lease payments made.

Lease payments associated with following leases are recognised as expense on straight-line basis:

1. Low value leases; and
2. Leases which are short-term.

(k) Employee benefits

(i) Short term employee benefits:

These benefits include compensated absences which are expected to occur within twelve months after the end of the period in which the employee renders the related service. The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees are recognised during the year when the employees render the service.

(ii) Post-employment benefits:

(a) Defined contribution plans: The Company makes specified periodic contributions to the credit of the employees' account with the Employees' Provident Fund Organisation. Obligations for contributions to defined contribution plans are recognised as an employee benefit expense in the Statement of Profit and Loss in the periods during which the related services are rendered by employees.

(b) Defined benefit plans: The present value of the obligation under defined benefit plans is determined based on actuarial valuation using the Projected Unit Credit Method. The obligation is measured at the present value of the estimated future cash flows using a discount rate based on the market yield on government securities of a maturity period equivalent to the weighted average maturity profile of the defined benefit obligations at the Balance Sheet date.

Remeasurement, comprising actuarial gains and losses, the return on plan assets (excluding amounts included in net interest on the net defined benefit liability or asset) and any change in the effect of asset ceiling (if applicable) is recognised in other comprehensive income and is reflected in retained earnings and the same is not eligible to be reclassified to profit or loss. Defined benefit costs comprising current service cost, past service cost and gains or losses on settlements are recognised in the Statement of Profit and Loss as employee benefits expense. Gains or losses on settlement of any defined benefit plan are recognised when the settlement occurs. Past service cost is recognised as expense at the earlier of the plan amendment or curtailment and when the Company recognises related restructuring costs or termination benefits.

MIRAE ASSET INVESTMENT MANAGERS (INDIA) PVT. LTD. (CIN :- U65990MH2019PTC324625)
NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED DECEMBER 31, 2024

(iii) **Termination benefits:** Termination benefits such as compensation under employee separation schemes are recognised as expense when the Company's offer of the termination benefit is accepted or when the Company recognises the related restructuring costs whichever is earlier.

(l) Financial instruments:

Financial assets and financial liabilities are recognised in the Company's balance sheet when the Company becomes a party to the contractual provisions of the instrument.

Recognised financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at FVTPL) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at FVTPL are recognised immediately in profit or loss.

If the transaction price differs from fair value at initial recognition, the Company will account for such difference as follows:

(i) If fair value is evidenced by a quoted price in an active market for an identical asset or liability or based on a valuation technique that uses only data from observable markets, then the difference is recognised in profit or loss on initial recognition (i.e. day 1 profit or loss);

(ii) In all other cases, the fair value will be adjusted to bring it in line with the transaction price (i.e. day 1 profit or loss will be deferred by including it in the initial carrying amount of the asset or liability). After initial recognition, the deferred gain or loss will be released to profit or loss on a rational basis, only to the extent that it arises from a change in a factor (including time) that market participants would consider when pricing the asset or liability.

Financial assets:

All financial assets are recognised and derecognised on a trade date where the purchase or sale of a financial asset is under a contract whose terms require delivery of the financial asset within the timeframe established by the market concerned and are initially measured at fair value, plus transaction costs, except for those financial assets classified as at FVTPL. Transaction costs directly attributable to the acquisition of financial assets classified as at FVTPL are recognised immediately in profit or loss.

All recognised financial assets that are within the scope of Ind AS 109 are required to be subsequently measured at amortised cost or fair value on the basis of the entity's business model for managing the financial assets and the contractual cash flow characteristics of the financial assets.

Financial liabilities and equity:

A financial liability is a contractual obligation to deliver cash or another financial asset or to exchange financial assets or financial liabilities with another entity under conditions that are potentially unfavourable to the Company or a contract that will or may be settled in the Company's own equity instruments and is a non-derivative contract for which the Company is or may be obliged to deliver a variable number of its own equity instruments, or a derivative contract over own equity that will or may be settled other than by the exchange of a fixed amount of cash (or another financial asset) for a fixed number of the Company's own equity instruments. Trade and other payables represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the Company are recognised at the proceeds received, net of direct issue costs.

(m) Taxation:

Current Tax

Tax on income for the current period is determined on the basis of taxable income and tax credits computed in accordance with the provisions of the Income Tax Act 1961, and based on the expected outcome of assessments/appeals.

MIRAE ASSET INVESTMENT MANAGERS (INDIA) PVT. LTD. (CIN :- U65990MH2019PTC324625)
NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED DECEMBER 31, 2024

Deferred Tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the Company's financial statements and the corresponding tax bases used in computation of taxable profit and quantified using the tax rates and laws enacted or substantively enacted as on the Balance Sheet date.

Deferred tax assets are generally recognised for all taxable temporary differences to the extent that it is probable those taxable profits will be available against which those deductible temporary differences can be utilised. The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax assets relating to unabsorbed depreciation/business losses/losses under the head "capital gains" are recognised and carried forward to the extent of available taxable temporary differences or where there is convincing other evidence that sufficient future taxable income will be available against which such deferred tax assets can be realised.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of reporting period, to recover or settle the carrying amount of its assets and liabilities.

Transaction or event which is recognised outside profit or loss, either in other comprehensive income or in equity, is recorded along with the tax as applicable.

(n) Provisions, Contingent Liabilities and Contingent Assets:

Provisions are recognised only when:

- (i) An entity has a present obligation (legal or constructive) as a result of a past event;
- (ii) It is probable that an outflow of resources embodying economic benefits will be required to settle the obligation; and
- (iii) A reliable estimate can be made of the amount of the obligation.

Provision is measured using the cash flows estimated to settle the present obligation and when the effect of time value of money is material, the carrying amount of the provision is the present value of those cash flows. Reimbursement expected in respect of expenditure required to settle a provision is recognised only when it is virtually certain that the reimbursement will be received.

Contingent liability is disclosed in case of:

- (i) A present obligation arising from past events, when it is not probable that an outflow of resources will be required to settle the obligation; and
- (ii) A present obligation arising from past events, when no reliable estimate is possible.

MIRAE ASSET INVESTMENT MANAGERS (INDIA) PVT. LTD. (CIN :- U65990MH2019PTC324625)
NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED DECEMBER 31, 2024

Contingent assets are disclosed where an inflow of economic benefits is probable. Provisions, contingent liabilities and contingent assets are reviewed at each Balance Sheet date. Where the unavoidable costs of meeting the obligations under the contract exceed the economic benefits expected to be received under such contract, the present obligation under the contract is recognised and measured as a provision.

(o) Earnings Per Share

The Company presents basic and diluted earnings per share data for its ordinary shares. Basic earnings per share is calculated by dividing the profit or loss attributable to ordinary shareholders of the Company by the weighted average number of ordinary shares outstanding during the year. Diluted earnings per share is determined by adjusting the profit or loss attributable to ordinary shareholders and the weighted average number of ordinary shares outstanding, adjusted for own shares held, for the effects of all dilutive potential ordinary shares.

(p) Cash and cash equivalents:

Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition) and highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

(q) Statement of Cash flows:

Statement of cash flows is prepared segregating the cash flows into operating, investing and financing activities. Cash flow from operating activities is reported using indirect method adjusting the net profit for the effects of:

- i) Changes during the period in operating receivables and payables transactions of a non-cash nature;
- ii) Non-cash items such as depreciation, provisions, deferred taxes, unrealised foreign currency gains and losses, and
- iii) All other items for which the cash effects are investing or financing cash flows.

Cash and cash equivalents (including bank balances) shown in the Statement of Cash Flows exclude items which are not available for general use as on the date of Balance Sheet.

Cash and cash equivalents (including bank balances) are reflected as such in the Statement of Cash Flows. Those cash and cash equivalents which are not available for general use as on the date of balance sheet are also included under this category with a specific disclosure.

(r) GST input credit:

GST input credit is recognised in the period in which the underlying service received is accounted and when there is no uncertainty in availing / utilising the credits.

(s) Investments - Fair value Measurement

The Company measures financial instruments such as investments in mutual funds and alternate investment funds at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy.

(t) Critical Estimates and judgements

The preparation of the financial statements in conformity with Ind AS requires the management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The estimates and underlying assumptions are reviewed on an ongoing basis. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known / materialise.

MIRAE ASSET INVESTMENT MANAGERS (INDIA) PVT. LTD. (CIN :- U65990MH2019PTC324625)

26. FAIR VALUE MEASUREMENTS

i. Financial Instruments by Category (Amount in Rs.million)

Particulars	Carrying Amount		Fair Value	
	December 31, 2024	December 31, 2023	December 31, 2024	December 31, 2023
FINANCIAL ASSETS				
Amortised cost				
Trade Receivables	372.45	298.85	372.45	298.85
Cash and Cash Equivalents	85.15	3.56	85.15	3.56
Other Financial Assets	73.46	13.69	73.46	13.69
Fair Value through profit and loss				
Investments	12,003.03	8,283.91	12,003.03	8,283.91
Total	12,534.09	8,600.00	12,534.09	8,600.00
FINANCIAL LIABILITIES				
Amortised cost				
Trade Payables	514.82	493.90	514.82	493.90
Lease Liabilities	95.84	109.86	95.84	109.86
Other Financial Liabilities	0.98	-	0.98	-
Total	611.64	603.77	611.64	603.77

The management assessed that the fair value of trade receivables, cash and cash equivalents, other financial assets, trade payables, lease liabilities and other financial liabilities approximate their carrying amounts due to the short term maturities of these instruments.

MIRAE ASSET INVESTMENT MANAGERS (INDIA) PVT. LTD. (CIN :- U65990MH2019PTC324625)
NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED DECEMBER 31, 2024

ii. Fair Value Hierarchy

This section explains the judgments and estimates made in determining the fair values of the financial instruments that are recognised and measured at fair value. To provide an indication about the reliability of the inputs used in determining fair value, the Company has classified its financial instruments into three levels prescribed under the Ind AS. An explanation of each level follows underneath the table:

(Amount in Rs.million)					
Assets and liabilities measured at fair value - recurring fair value measurement:					
Particulars	Notes	Quoted prices in active markets (Level 1)	Significant Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total
As at December 31, 2024					
Financial assets					
Investments carried at fair value through profit and loss					
Mutual Funds	5	9,062.55	-	-	9,062.55
Alternate Investment Funds	5	-	-	2,932.79	2,932.79
Investment in Equity Instruments	5	-	-	7.69	7.69
As at December 31, 2023					
Financial assets					
Investments carried at fair value through profit and loss					
Mutual Funds	5	6,084.51	-	-	6,084.51
Alternate Investment Funds	5	-	-	2,191.71	2,191.71
Investment in Equity Instruments	5	-	-	7.69	7.69

Reconciliation of level 3 fair value measurements

Particulars	December 31, 2024	December 31, 2023
Opening balance	2,199.40	1,289.61
Purchases	552.80	852.51
MTM gain	188.29	57.29
Closing balance	2,940.49	2,199.40

There have been no transfers among Level 1, Level 2 and Level 3 during the year.

Level 1 - Level 1 hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments, traded bonds and mutual funds that have quoted price. The fair value of all equity instruments (including bonds) which are traded in the stock exchanges is valued using the closing price as at the reporting period. The mutual funds are valued using the closing NAV.

Level 2 - The fair value of financial instruments that are not traded in an active market (for example, traded bonds, over the counter derivatives) is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3 - If one or more of the significant inputs are not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity shares, contingent consideration and indemnification assets included in level 3.

iii. Valuation technique used to determine fair value

Specific Valuation techniques used to value financial instruments include:

- the use of quoted market prices or dealer quotes for similar instruments
 - the fair value of interest rate swaps is calculated as the present value of the estimated future cash flows based on observable yield curves
 - the fair value of forward foreign exchange contracts and principal swap is determined using forward exchange rates at the balance sheet date
 - the fair value of foreign currency option contracts is determined using discounted cash flow analysis
 - the fair value of the remaining financial instruments is determined using discounted cash flow analysis
- All the resulting fair value estimates are included in level 2 except for unlisted equity securities, contingent consideration and indemnification assets, where the fair values have been determined based on present values and the discount rates used were adjusted for counterparty or own credit risk.

iv. Fair value of financial assets and liabilities measured at amortised cost

For financial assets and financial liabilities that have a short-term maturity (less than twelve months), the carrying amounts approximate their fair value. Such instruments include, cash and bank balances, trade and other receivables, other financial assets, trade and other payables, other financial liabilities and lease liabilities. Such amounts have been classified as Level 3 on the basis that no adjustments have been made to the balances in the balance sheet.

27. FINANCIAL RISK MANAGEMENT

Introduction

Risk management is an integral part of the business practices of the Company. The framework of risk management concentrates on formalising a system to deal with the most relevant risks, building on existing management practices, knowledge and structures. The Company's senior management has the overall responsibility for the establishment and oversight of the Company's risk management framework. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Company's activities.

The financial instruments held by the Company expose it to a variety of financial risks: market risk, credit risk and liquidity risk. In addition, the Company is indirectly exposed to market risk through management fee income which is determined by the assets under management. The Company uses different methods such as sensitivity analysis to measure different types of risk to which it is exposed.

a. Market Risk

Market risk is the risk that the changes in market prices, such as foreign exchange rates and equity prices will affect the Company's income or value of its holdings of financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising returns.

(i) Foreign Exchange Risk

The Company is exposed to foreign exchange risk primarily through balances arising in the normal course of business that are denominated in a currency other than the Company's functional currency. The sensitivity analysis of foreign currency receivables is depicted below:

Particulars	Impact on profit after tax and equity	
	December 31, 2024	December 31, 2023
Rupees – Strengthen 1%	(0.41)	(0.28)
Rupees – Weakens 1%	0.41	0.28

There are no foreign trade payables as on December 31, 2024 and December 31, 2023.

(ii) Price Risk

The Company's exposure to investment in mutual funds held as FVTPL exposes it to price risk. To manage this risk, the Company diversifies its portfolio.

Particulars	Impact on profit after tax and equity	
	December 31, 2024	December 31, 2023
Market – Strengthen 1%	64.05	55.80
Market – Weakens 1%	(64.05)	(55.80)

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED DECEMBER 31, 2024

(Amount in Rs.million)

b. Credit Risk

Credit risk is the risk of financial loss to the Company if a counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from its investment transactions.

Credit risk is monitored on an ongoing basis by the Company in accordance with policies and procedures in place. The Company is exposed to credit risk from investments held in units of the funds it manages. These investments are measured at fair value through profit and loss. The Company has no significant concentration of credit risk.

The Company's financial assets are cash and cash equivalents, trade receivables etc.

Receivables have been considered to enjoy the low credit risk as they meet the following criteria:

- they have a low risk of default,
- the counterparty is considered, in the short term, to have a strong capacity to meet its obligations in the near term, and
- the Company expects, in the longer term, that adverse changes in economic and business conditions might, but will not necessarily, reduce the ability of the counterparty to fulfil its obligations.

The Company has placed security deposit with lessors for premises leased by the Company as at December 31, 2024 of Rs. 15.26 and December 31, 2023 of Rs. 13.69. The Company does not perceive any significant decline in credit risk of the lessors where the amount of security deposit is material and hence expected probability of default is considered as zero.

Cash and cash equivalents, bank deposits are held with only high rated banks, credit risk on them is therefore insignificant.

The Company's exposure to credit risk is limited to the carrying amount of financial assets recognised at the reporting date, as summarised below:

Particulars	December 31, 2024	December 31, 2023
Security Deposits	15.26	13.69
Trade Receivables	372.45	298.85
Cash and Cash Equivalents	85.15	3.56

c. Liquidity Risk

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they become due. Prudent liquidity risk management implies maintaining sufficient cash and liquid investments. The Company believes that current cash and bank balances and investments in liquid investments are sufficient to meet liquidity requirements since Company has no external borrowings. Accordingly, liquidity risk is perceived to be low. The following table shows the maturity analysis of financial liabilities of the Company based on contractually agreed undiscounted cash flows as at the balance sheet date:

December 31, 2024	Less than 6 months	6 months -1 year	1-2 years	2-3 years	More than 3 years	Total
Trade payables	514.82	-	-	-	-	514.82

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED DECEMBER 31, 2024

28. CAPITAL MANAGEMENT

For the purpose of the Company's capital management, capital includes issued equity capital and all other equity reserves attributable to the equity holders. The primary objective of the Company's capital management is to maximise the shareholder value.

The Company's capital position is monitored by the management of the Company. The management ensures that the Company is adequately capitalised to meet economic and regulatory requirements. The management meets on a regular basis and manages capital by taking into account key considerations which may include business developments, regulatory requirements, profitability and market movements. The management monitors the return on capital to the shareholders.

29. SEGMENT REPORTING

The Company is in the business of providing asset management services to Mirae Asset Mutual Fund and Alternate Investment Fund and Advisory Services to clients. The primary segment is identified as asset management services. As such the Company's financial statements are largely reflective of the asset management business and accordingly there is no separate reportable segment as per Ind AS 108, Operating Segment.

The net liability disclosed above relates to unfunded plans are as follows:

Particulars	December 31, 2024	December 31, 2023
Present value of plan liabilities	62.37	44.72
Deficit of funded plan	62.37	44.72
Unfunded plans		
Deficit of gratuity plan	62.37	44.72

Statement of Profit and Loss

Particulars	December 31, 2024	December 31, 2023
Employee benefits expense:		
Current service cost	8.46	5.96
Finance Cost	3.26	2.28
Net impact on the profit before tax	11.72	8.24
Remeasurements of the net defined benefit liability:		
Gain from change in financial assumptions	6.23	(0.17)
Experience loss	2.16	10.44
Net impact on the other comprehensive income before tax	8.39	10.27

The significant actuarial assumptions were as follows:

Particulars	December 31, 2024	December 31, 2023
Discount rate	7.05%	7.50%
Expected return on plan assets	NA	NA
Salary growth rate	13.00%	12.00%
Attrition		
Age (Years)	Rate p.a.	Rate p.a.
21 - 30	9%	9%
31 - 40	9%	9%
41 - 50	5%	5%
51 & Above	1%	1%
Mortality table	Indian Assured Lives Mortality (2012-14) Ult table	Indian Assured Lives Mortality (2012-14) Ult table

A quantitative sensitivity analysis for significant assumptions as at December 31, 2024 is shown below:

Assumptions	Discount rate		Salary growth rate	
	0.5% increase	0.5% decrease	0.5% increase	0.5% decrease
December 31, 2024				
Impact on defined benefit obligation	(3.66)	4.00	1.57	(1.56)
% Impact	(5.86%)	6.41%	2.53%	(2.49%)
December 31, 2023				
Impact on defined benefit obligation	(2.57)	2.81	1.21	(1.22)
% Impact	(5.75%)	6.28%	2.70%	(2.72%)

The sensitivity analysis above have been determined based on a method that extrapolates the impact on defined benefit obligation as a result of reasonable changes in key assumptions occurring at the end of the reporting period.

The following payments are expected to the defined benefit plan in future years:

Particulars	December 31, 2024	December 31, 2023
Expected benefits for year 1	3.13	2.40
Expected benefits for year 2	3.32	2.49
Expected benefits for year 3	3.61	2.64
Expected benefits for year 4	3.68	2.76
Expected benefits for year 5	3.77	2.72
Expected benefits for year 6	3.69	2.73
Expected benefits for year 7	4.41	2.66
Expected benefits for year 8	6.53	3.36
Expected benefits for year 9	4.61	5.13
Expected benefits for year 10 and above	141.22	108.20

The weighted average duration of the defined benefit plan obligation at the end of the reporting year is 12.26 years (Previous Year - 12 years).
